

**Enclosure (4) Summary of interview with (b)(6) and (b)(6) on 20190504 ICO PFC Schroader.**

Hi (b)(6) I'm the Investigating Officer for an incident involving PFC Schroader. Do you have a few minutes to speak?

**Yes**

What day did you have that conversation?  
**Thursday the 2nd [of May, 2019]**

Can you run me through your conversation with him?

**[On Thursday, May 2nd] I read the Marine his rights. Explained and summarized the 1st, 2nd, and 3rd order effects of his actions. Advised him to provide factual events rather than, "I don't know, I can't remember, etc.". Spoke in regards to family - were they aware of his actions? I informed him I would be speaking to his father and family. Any information would be relayed back to his father. His sincere answers would be in his best interest. No promises, but trying to help him regain credibility.**

Did he tell you where the photo was taken and when?

**He gave me location and timeline of the photo. (b)(6) has that information.**

\* (b)(6) joining the conversation\*\*

Was he in the photo?

**Yes. He also took the photo without their consent. He may be able to identify the Marines. Just did a dumb thing. One week before Graduation is when he took the photo. He knew what it means and it's connection to racism. This is not the first time he has posted something racially affiliated. \*\*\*IO Note: Refer to audio of his interview for more information regarding an incident in High School\*\*\***

(b)(6) **I recommend [you] speaking to this father. That number is XXX**

(b)(6) **I had a conversation with his father. I told him that this is open source information and why we brought him in. His son did these alleged things and we're concerned for the safety of his family. He has one son in the Navy, one in the Army and a 20 year old in the house. That's when he said this isn't the first time this has happened, and asked to see his son. He said, "What did I tell you before leaving for boot camp? This isn't finished, when we get home you're going to have to tell your grandfather." His father is former military (but we didn't talk about it).**

What are the chances he'll go UA?

(b)(6) **I don't think he will.**

What is his mental state? Is he homicidal or suicidal?

(b)(6) **He didn't go home and I don't believe he has any remorse for what he did. When I mentioned that I was going to call his dad, his eyes got huge. There was a lot of awkward silence and staring. He mentioned his grandfather is Jewish.**

**His dad said feel free to call him.**

Where does he work now?  
**He's currently unemployed.**

Thank you for your time.
